The cattery is situated in a small country hamlet, one and a quarter miles from Wickersley roundabout in a rural and peaceful location spanning half an acre.

Being located in Rotherham, only minutes from Junction 1 on the M18, it is easily accessible from Sheffield, Doncaster, Chesterfield and Barnsley.

From Wickersley roundabout, follow the signs for Dalton Magna (down Northfield Lane) for 1 1/4 miles until you reach a right hand hairpin bend. When on the bend look to the left and you will see the hamlet of Dalton Magna. The Magna Mews Country Cattery is the first entrance on your right.
